## TECHNICAL SHEET

### INK FOR LEATHER SPRAY CARRIER 5482

USE base-coats  
PHASE water

VERSION 0 del 28/02/2022

*The information contained in this technical data sheet is based on our best acquired knowledge; However, it must be considered without warranty and does not exempt the customers from performing tests on their own. The application and use of the products are beyond our control and, therefore, the responsibility falls exclusively upon the customer.*

Water-based auxiliary, VOC-free, for use in diluting INK FOR LEATHER® SPRAY series colors. The dilution ratio is variable depending on the desired tone intensity. INK FOR LEATHER® SPRAY CARRIER 5482 helps penetration, promotes adhesion properties, not darken defects and increases the uniformity of color tone. The feel/touch of the article remains unaffected.

Recommended dilution:

<b>FULL GRAIN PRODUCT</b>	<b>RATIO</b>
